

## Easterseals of the Birmingham Area Newsletter

### DECEMBER

We ended a hard year in 2020 with Giving Tuesday in December where we raised \$3,200! Thank you to all our supporters who helped us exceed this goal and a big thank you to our Board Members. Giving Tuesday, as you may know, is a global generosity movement that unleashes the power of people and organizations to transform their communities. We also had two Board Members Jennifer Shaw and Julie Howard, represent Easterseals in AboutTown’s Trailblazer issue in December. We had several of our Junior Board member names listed in the issue as well. Thank you for your service and wonderful representation of Easterseals, congratulations!

### JANUARY

We started off strong in 2021 by partnering with two local commercial and residential service based companies, Brian’s Flooring + Design and American Lighting. We are grateful for this community connection which allowed us to create a virtual tour to continue our work with students during COVID. We, like many others, have had to rethink how we serve our consumers. With Brian’s Flooring + Design and American Lighting opening their business doors to us for interviews, we are able to continue our mission of “to create solutions that change the lives of children and adults with disabilities or other special needs - and support their families”!

## FEBRUARY

Together We Did It!! Thank you to everyone who came out to support Easterseals at Taco Mama and Craft's this month. We have reached our goal of \$1,500 for the Special Tomato MPS Seat which is a much needed Therapy Chair for our Pediatric Clinic. We want to especially thank Taco Mama in Homewood and Craft's in Mountain Brook for giving us the opportunity to host a Spirit Night in their restaurants. Be sure to follow us on Facebook, Instagram and LinkedIn (see links below) as we have exciting news to announce in March! You can also stay up to date on the progress being made daily in the lives of our Children and Adults, it is very encouraging!
